SECOND INFORMATION DISCLOSURE STATEMENT

Sir:

This Second Information Disclosure Statement is submitted with an English language translation of the International Preliminary Examination Report. This translation was prepared by the International Bureau. The Examiner will note that the three claims filed with the International Application were considered to meet the requirements of novelty and industrial applicability. Additionally, claims 2 and 3 of the International Application were considered to represent an inventive step. The International Preliminary Examination Report was based upon two of the references that were submitted with the first Information Disclosure Statement filed concurrently with the entry of the U.S. national stage for the above-captioned application.

This Second Information Disclosure Statement is not being accompanied by a copy of Form PTO-1449 because the attached document is not considered to constitute prior art. Nevertheless, the Examiner may find the attached Information Disclosure

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to:
